Sir,

With reference to the Revenue Secretary's memo No L 178 dated the 6th July 1948 forwarding for disposal an application from Sri T C Nallar, a Refugee, requesting for the allotment of sites in the Industrial Suburb area and also house sites in the Town Expansion Scheme, I have the honour to state that the application was placed before the Board for consideration at its meeting held on 16-8-48

2 As for his request ~~for~~ a site in the Industrial Suburb area, the Board passed the following resolution

"Resolved that the Board was willing to recommend a site to him in the Industrial Suburb, and that further details as to his requirements be ascertained "

The applicant was accordingly asked to he furnish details as to the nature of industry that wished to start and the dimensions of the site required etc

3 In reply, he stated in his letter dated the 1st October 1948 that he intended starting a small industry such as manufacture of steel trunks, buckets, mortar pans, agricultural implements, electrical casings etc , and that the area and the extent of land required was about ½ an acre etc

This was placed before the Board at its meeting held on 16-11-48 and the Board passed the following resolution -

" Resolved that the request of the applicant for a site in the Industrial Suburb - about ½ an acre in extent - be recommended "

4 I accordingly request that as resolved by the Board, sanction of Government may kindly be obtained to the grant of about ½ an acre of land in the Industrial Suburb North Zone to the applicant

5 As for the housing site asked for by the applicant, this will be considered along with the cases

of other refugees making similar requests at the time of allotment of sites in Jayanagar Extension

Dear Sir,

Your endorsements No S-I-72 d/47-8 of the 15th July and No S-I-103/47-8 of the 25th November 1947.

I beg to invite your kind attention to your above two endoresements and request for an early reply, as it is already 10 months for the building site and 8 months for the Industrial site. I have already explained my urgency in my letters of the 10th July and 8th August 1947. I hope you will consider the case under the circumstances and intimate me the approximate time when I can expect the allotments and also as to how much initial amount I have to deposit. An early reply is very much appreciated.

Once again thanking you in anticipation.

Yours faithfully,
